

1. SMSS ELECTIONS POLICY

I. Purpose

This policy will govern all SMSS elections and special elections. It will be enacted twice a year, at minimum and will be executed by the elections officers, the SMSS VP Internals. A subcommittee of the internal division may be struck every 3 years to review and amend this policy.

II. Enactment

1. Using the guidelines in the “Elections Format”, an election will be called by the SMSS VP Internal Saskatoon Sr.
 - 1.1 SMSS members shall be notified via email through the SMSS general email account and on select social media platforms by the VP Internals.
 - 1.2 The notification of elections will occur at least seven days before the closing of the first round nomination statements.
2. The first notification email to members will include:
 - 2.1 A link to the compiled document where descriptions and more information of the role/responsibilities of each position may be found.
 - 2.2 Contact information for a current or previous officer of each position will be listed on the documents containing position information, for those interested in each position. Further to the role/responsibilities identified in 2.1, prospective applicants will be reminded that those holding Jr SMSS Officer roles may run for SMSS president with the understanding that:
 - 2.2.1 Should they be successful they will serve in the SMSS President role and the Sr role they are transitioning out of until that Sr role can be filled, OR
 - 2.2.2 Should they be unsuccessful in the election of SMSS President, they will assume the Sr role as before, in accordance with established protocol.
 - 2.3 Information on the resources interested candidates must submit.
 - 2.4 The date when self-nominations are due for submission.
 - 2.4.1 All submissions are to be sent to the VP Internals at smss.vpinternal@gmail.com.
 - 2.4.2 Self-nomination period must be at least three days long.
3. Subsequent notification emails or notification Facebook posts will include:
 - 3.1 A link to the compiled document where the personal statements submitted by applicants may be viewed.
 - 3.2 Location and time of speeches for relevant positions.
 - 3.2 Dates and times when voting will open and close.
 - 3.3 These emails will be sent before the speech days and voting period for EACH round of an election cycle.
4. The voting survey will be released to all members directly via email link.
5. The final notification Facebook post, or email to be distributed through the SMSS general account, will include:
 - 5.1 The results of the election and names of those elected and their position.
6. In the event that an election is uncontested (only one person is running), their personal statement will be posted as normal. **Except for Presidential candidates**, no speech will be required regardless of the position they are running for.

- 6.1 For the election survey of an unopposed candidate, the ballot must reflect a confidence vote.
- 6.2 Unopposed candidates must attain at least 50% of votes cast as being YES. In the event that a candidate receives a combined total of NO and Abstain greater than 50%, this is deemed non-confidence, and the position is considered vacant (see vacancy).
- 6.3 The schedule for each election cycle must be clearly communicated to the general public and it must be made clear it is the student body's responsibility to maintain and meet each deadline. This information must be included in the initial email to the SMSS members. If at any point the election schedule is altered, an email or Facebook notification must be sent out to the SMSS members clearly outlining the new dates and deadlines.

III. Policy

1. There will be a fall election cycle (held in August/September) and a spring election cycle (held in March). The Sr. VP Internal Saskatoon shall call these election cycles in collaboration with the rest of the SMSS Executive Council.
 - 1.1 No student group elections may occur in August before the SMSS elections, nor in April before the SMSS elections are completed.
2. The Fall election will consist of three rounds:
 - 2.1 Round A: Election of the First Year Class representatives (1 Regina, 1 Saskatoon).
 - 2.2 Round B: Election of SMSS Executive positions (Jr. VPs Academic, External, Internal Regina, and Internal Saskatoon)
 - 2.3 Round C: Election of SMSS Council and Auxiliary Positions (Jr. Fundraising, Jr. Sports, Jr. GAAC, Jr. GHL, Jr. GHA, Jr. SGC, Jr. HSSA, Jr. EDI Rep, SMA Rep, IHR Jr., and Research Rep).
3. The Spring election will consist of three rounds:
 - 3.1 Round 1: SMSS President
 - 3.2 Round 2: Regina-Saskatoon Liaison, Regina Social Rep., Saskatoon Social Rep., Wellness Rep., ESR, VP Communications, VP Finance, VP Advocacy.
 - 3.3 Round 3: Class representatives for years 2-4.
 - 3.4 Note that the USSU MSC representative is elected in spring USSU elections and serves a one year term beginning on May 1.
4. Nomination period for each position must last a minimum of three days (72 hours).
5. Election speeches will be held for all Executive positions as well as the Jr. GAAC.
 - 5.1 Speeches will occur over lunch hours and be moderated and coordinated by the VP Internal Saskatoon or their designate.
 - 5.1.1 The VP Internal Saskatoon will publicize the speeches on social media platforms and/or the SMSS website, and via emails if required (as per II.3).
 - 5.1.2 There will be a minimum of 2 separate lunch hours scheduled and advertised for speeches. The second scheduled day may be omitted if not required.
 - 5.1.3 NOTE: No other SMSS ratified student group may hold an event at the same time election speeches are scheduled. As such, the Election Officers must set the election schedule at the start of each term, and include it in the SMSS events calendar, to allow for adequate notice to student groups.

- 5.2 Candidates will be informed by email and/or through social media platforms at least 24 hours before speeches of the order they will give their speeches and no candidate will be allowed to observe another candidate's speech or subsequent question period.
- 5.3 Speeches will be a maximum of 3 minutes with 3-5 minutes for questions from sitting executive members in the audience.
 - 5.3.1 Note that students may approach the executive members before speeches begin and request specific questions be asked. This stipulation is put in place to ensure all candidates are asked the same questions. Otherwise, the SMSS Executive will pre-determine questions to ask each candidate, ensuring the same questions are asked each time. Special considerations may be made at the discretion of the VP Internal Saskatoon.
- 5.4 No more than 5 candidates will speak during a single lunch hour. Speeches may occur over more than one lunch hour and should be structured as evenly over the multiple days as possible.
- 5.5 Voting will open no more than 24 hours after the last speech is made.
6. Personal statements will be required from each nominee for an SMSS position.
 - 6.1 A STRICT 600 word limit will be enforced. Those failing to meet the criteria will have their statement cut-off at the word limit and the statement will be posted as such.
 - 6.2 Personal statements may be sent to the VP Internals with a note of self-nomination via email or be collected via the VP Internals through an online form.
 - 6.3 Late submissions will not be considered.
 - 6.4 Statements will be posted to the SMSS College Facebook page and/or compiled document no less than 12 hours before voting on the related positions commences.
7. Should no nominees present themselves for an elected position, the position may be filled at the discretion of the SMSS Executive Council.
 - 7.1 Due to the nature of the role and its requirements, should no Indigenous students present themselves for IHR Jr. during Fall elections, this role shall remain vacant until a bi-election may be called in January by the VP Internals Saskatoon, or until a student presents themselves at any point following the conclusion of the Fall election period.
 - 7.2 If unfilled, the responsibilities of the IHR will be assumed by the EDI Jr./Sr. Reps, who will act as liaisons as needed.
8. A by-election may be called at the discretion of the SMSS Executive council in the case that any SMSS position becomes vacant.
 - 8.1 The process for by-elections should follow that of the other SMSS elections.
 - 8.2 Candidates will be required to submit a 600 word statement. No speeches will be held.
 - 8.3 Should no nominees present themselves, the SMSS Executive may attempt to appoint the position.

IV. Procedures

1. All SMSS elections run by the VP Internals will be entirely electronic (via an online survey system such as Survey Monkey) and shall be either a majority vote, that accounts for a tie margin, or a ranked and weighted voting system that reflects an election where the number of candidates running for a position is $n+1$, where $n > 2$.

1.1 Ex. If there are n=1 positions and 2 people running, there will be a majority vote, if there are n = 1 positions available, and 3 people running, there must be a ranked and weighted vote. If there are n =2 positions and 3 people running, there must be a ranked and weighted vote.

1.2 An example of a ranked and weighted voting system (Survey Monkey) is outlined Below:

Average Ranking

- i. Ranking questions calculate the average ranking for each answer choice so you can determine which answer choice was most preferred overall. The answer choice with the largest average ranking is the most preferred choice.
- ii. The average ranking is calculated as follows, where:

w = weight of ranked position

x = response count for answer choice

$$\frac{x_1w_1 + x_2w_2 + x_3w_3 \dots x_nw_n}{\text{Total response count}}$$

- iii. Weights are applied in reverse. In other words, the respondent's most preferred choice (which they rank as #1) has the largest weight, and their least preferred choice (which they rank in the last position) has a weight of 1.
- iv. For example, if a Ranking question has 5 answer choices, weights are assigned as follows:
 - The #1 choice has a weight of 5
 - The #2 choice has a weight of 4
 - The #3 choice has a weight of 3
 - The #4 choice has a weight of 2
 - The #5 choice has a weight of 1
- v. If an N/A option is included on the Ranking question, any N/A responses will not factor into the average ranking.

2. Ballot Structure:

2.1 Each ballot for a majority vote shall be set up as follows:

“For the role of SMSS [position], I vote for...”

1. “Candidate A”
2. “Candidate B”
3. “Abstain
4. “None of the above”

Note: Candidates shall be listed in the chronological order they submitted their nomination statements.

2.2 Each ballot for a weighted and ranked vote shall be set up as follows (allowing room for variations between voting platforms):

“Please rank your preference for the role of X. To abstain please select N/A for all options.”

1. “Candidate A”
2. “Candidate B”
3. “Candidate C”

2.3 It is NOT necessary for voters to rank each candidate, they may choose to omit or include candidates in the ranking at their own discretion.

3. Once voting is complete:

3.1 The results of the electronic voting MUST be double checked by hand. This will be done by the VP Internal Saskatoon Jr. and Sr. OR the VP Internal Saskatoon and the President (in the event of unavailability of any VP Internal).

3.2 In a majority vote, a candidate that receives the highest percentage of votes will win the position. If two candidates receive the exact same number of votes, the election is deemed a tie (see 3.4)

3.3 In a weighted and ranked vote, the candidate that receives the highest overall, weighted score will win the position. If two candidates receive the same absolute value score, the election is deemed a tie (see 3.4).

3.4 In the event of a tie, the SMSS Council shall vote between the two highest ranking candidates. If this still does not yield a victor, the position is appointed by the SMSS Executive.

3.5 Should any election result in the combined percentage of NO and ABSTAIN to be greater than 50%, this is deemed a non-confidence vote and the position is considered vacant (See Section II, 7.3)

4. Notes:

4.1 For positions with more than one holder, the top ranking candidates will fill the positions. For example, in a Class Rep election if there are 2 positions available for 5 candidates, the top 2 ranking candidates will fill the positions.

5. Candidates will be told the rank and weighting of the vote they obtained regardless of if they win or lose the election, should they request this information. Candidates are asked to direct any questions beyond this to the VP Internal Saskatoon with the understanding that most information will remain confidential.

VI. Appointed SMSS Positions

1. The following positions are appointed positions. This means that they are filled as needed and at the discretion of the committee that appoints them. The following table outlines the requirements applicants must meet:
